7. ONLINE BILL PAYMENT SERVICE.

- (a) For each payment requested through the Online Bill Payment Service ("**Bill Payment**"), the following information must be designated: the checking Account at Bank from which the Bill Payment is to be made ("**Payment Account**"); the payee's complete name; the payee-assigned account number; and the payee's remittance address (all exactly as shown on the billing statement or invoice); the amount of the Bill Payment; and the date you want the Bill Payment to be debited from your Payment Account. You agree that neither you nor any User shall request a Bill Payment to a payee outside the United States. If a Bill Payment is scheduled to be debited from your Payment Account on a day that is not a Business Day, your Payment Account will be debited the next Business Day at 2:00 PM (Central Standard Time). You agree that, based upon instructions Bank receives under your login ID and password, Bank may charge your Payment Account by electronic transfer, "no signature required draft," or by debiting and remitting funds on your behalf. Bank reserves the right to refuse to pay any payee. If Bank does refuse to pay a payee, it will provide notice of such refusal.
- (b) Bank will choose the method by which payments are sent to payees (i.e., electronically, by check or otherwise). If the payee is to be paid by paper check, you understand and agree that paper checks are mailed to the payee and that the payee may not receive the Bill Payment until five (5) to eight (8) Business Days after the date the check is mailed. If the payee is to be paid electronically, you understand and agree that the payee may not receive the Bill Payment until three (3) to four (4) Business Days after the date the Bill Payment is debited from the Payment Account. You understand and agree that Bank is not responsible for the timely delivery of mail or the improper transmission or handling of Bill Payments by third parties.
- (c) To cancel a Bill Payment other than a preauthorized electronic fund transfer, you or a User must cancel the Bill Payment via Online Banking (by following the onscreen instructions) before 2:00 PM (Central Standard Time) on the

date the Bill Payment is scheduled to be debited from your Payment Account. For instructions on canceling or stopping a preauthorized electronic fund transfer, see Section 8, below. If Bank has chosen to make a Bill Payment by means of a paper check, you or a User may also be able to stop payment on the paper check by calling Bank at 906-774-2200 or toll free at 877-803-1814. The stop payment request must precisely identify the name of the payee, the payee-assigned account number, the amount and scheduled date of the Bill Payment, and the ID number from the Bill Payment “scheduled payments” screen. You will incur regular stop payment charges as disclosed in the current fee schedule for the applicable Payment Account.

- (d) You may request that your Bill Payment be delivered on a “Rush” basis for a fee. You may select next Business Day via paper check, second Business Day via paper check, and second Business Day via electronic check. The fee will depend on the selection you make and is disclosed in the Fee Schedule. If you select “Rush” and pay any additional fees associated with “Rush” delivery, and a delay in processing caused by Bank or its vendor results in a late fee, Bank or its vendor will cover up to \$50 of those fees. This guarantee does not cover losses which you cause, or payment processing delays which are not caused by Bank or its vendor or are outside Bank’s or its vendor’s control, such as your failure to schedule the Deliver By Date of your “Rush” payment sufficiently in advance of the Payee’s Due Date or subsequent posting of the payment is delayed by the Payee. You will need to document to Bank or its vendor any late fees that you incur as a result of your “Rush” payment being delivered after the Deliver By Date.

You agree not to enter any agreements where one of the purposes is to generate late payment fees. The risk of incurring and the responsibility for paying any and all late charges or penalties shall be borne by you in the event you do not follow the procedures.

To cancel a Bill Payment other than a preauthorized electronic fund transfer, you or a User must cancel the Bill Payment via Online Banking (by following the onscreen instructions) before 2:00 PM (Central Standard Time) on the date the Bill Payment is scheduled to be debited from your Payment Account. For instructions on canceling or stopping a preauthorized electronic fund transfer, see Section 8, below. If Bank has chosen to make a Bill Payment by means of a paper check, you or a User may also be able to stop payment on the paper check by calling Bank at 906-774-2200 or toll free at 877-803-1814. The stop payment request must precisely identify the name of the payee, the payee-assigned account number, the amount and scheduled date of the Bill Payment, and the ID number from the Bill Payment “scheduled payments” screen. You will incur regular stop payment charges as disclosed in the current fee schedule for the applicable Payment Account.

- (e) To the extent the automated clearinghouse network is used to facilitate a Bill Payment (typically, Bill Payments sent electronically), you agree to be bound by the NACHA Rules. Further you agree no Bill Payment violates or will violate any Applicable Laws.

8. STOP PAYMENTS OF PREAUTHORIZED ELECTRONIC FUNDS TRANSFERS.

You warrant and represent that the information you are providing is true, current, correct, and complete. You authorize and permit Bank and Bank’s service provider, to use information submitted by you to accomplish these purposes.
- (b) You authorize Bank to select any means to execute your Pay It Person to Person transfer request. If Bank is unable to execute your request through the designated service, it may, at its option, utilize other payment mechanisms in order to complete your request. For example, Bank could send the recipient a paper check. If Bank selects to send the Pay It Person to Person request through email, the recipient will receive an email with encrypted information that they must

open with a password and place their account information in which the funds should be deposited into the form. You agree that in addition to the security procedures discussed in Section 14, this security procedure (encrypted email) provides a commercially reasonable degree of protection in light of your needs and circumstances.

- (c) You agree that if you identify a bank or beneficiary by name and account number, Bank may execute the instructions by reference to the account number only, even if the number does not correspond to the name.
- (d) For as long as you are using Online Banking, you give to Bank and Bank's service provider a limited power of attorney and appoint Bank and Bank's service provider as your true and lawful attorney-in-fact and agent, with full power of substitution and re-substitution, for you and in your name, place and stead, in any and all capacities, to access the Accounts, effect funds transfers as described above, with full power and authority to do and perform each and every act and thing requisite and necessary to be done in connection with effecting funds transfers, including verifying the content and authenticity of any funds transfer instruction for the purposes of security procedures applicable to Accounts, as fully to all intents and purposes as you might or could in person. Once Bank or Bank's service provider has actual knowledge that you wish to cease using Online Banking, as provided in this Agreement, and has a reasonable opportunity to act on such knowledge, this limited power of attorney is automatically revoked; provided, however, that any act done by Bank or Bank's service provider in good faith before it has actual knowledge of termination by you and has a reasonable opportunity to act on such knowledge shall be deemed to be authorized by you.
- (e) Bank does not limit the number of funds transfers you may make; however, you may not make funds transfers in excess of the number of funds transfers allowed by the rules governing the applicable Accounts. Bank may from time to time for security and risk management reasons modify the limit, the frequency and the dollar amount of transfers you can make using Pay It Person to Person.
- (f) You may not make funds transfers in excess of \$2,500 in any one (1) transaction and \$2,500 in any one (1) Business Day. Bank reserves the right to change from time to time the dollar amount of funds transfers you are permitted to make using Pay It Person to Person. Some individuals may qualify for higher limits.
- (g) You cannot cancel any Pay It Person to Person transaction in process at the time you request the cancellation. Bank may decline any transfer requests made through Pay It Person to Person.

Whether you also receive a paper copy of your bills is at the sole discretion of the Biller. While your eBill feature is being activated, it is your responsibility to keep your accounts with Billers current. Each electronic Biller reserves the right to accept or deny your request to receive eBills.
- (c) By activating the eBill feature, you authorize Bank to obtain billing information from Billers on your behalf. For some Billers, you will be asked to provide Bank with your user name, password, and/or other authentication information for the Biller. You authorize Bank to use that information to obtain your billing information.
- (d) Bank will use reasonable efforts to present your eBills to you promptly. You may elect to be notified via email or text message when a new eBill is received. The notice will be sent to the email address or mobile device number you designate within the Service. If you do not receive notification of a bill, it is your responsibility to periodically log in to Bill Pay and check on the delivery of new eBills, regardless of whether Bank notifies you of bills awaiting your review.

Bank shall not be responsible for your failure to receive an eBill if you have provided the wrong email address or you have not updated your contact information in the Service. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills whether or not you receive notice from Bank.

Although Bank may notify your electronic Biller(s) regarding the change in status of your account with Biller, it is your sole responsibility to make arrangements for an alternative form of bill delivery. Neither Bank nor Bank's service providers shall be responsible for presenting any eBills that are already in process at the time of cancellation.
- (f) You are solely responsible for contacting Billers directly if you do not receive their bills electronically. You agree to hold Bank harmless if a Biller fails to deliver your bills electronically. You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.
- (g) Bank is not responsible for the completeness or accuracy of your eBill(s). Any discrepancies or disputes regarding the accuracy of your eBill must be addressed with the Biller directly. This Agreement does not alter your liability for obligations between you and your Billers.

For security purposes, you or a User must change the password upon the initial login to Online Banking, and every one hundred eighty (180) days thereafter. If the login ID is not used to access Online Banking to change your temporary password within thirty (30) days, authorization will deactivate and you will need to contact Bank to re-establish authorization to use Online Banking. You agree that the login ID and password will only be shared with Users and that any individual to whom you or a User provides the login ID and password is a User for purposes of this Online Banking

Access Agreement. You agree that Bank is authorized to act on instructions received through Online Banking using the login ID and password. If you want to terminate a User's authority, you must ensure that the login ID and password are changed, and take any additional steps needed to prevent further access by such person. You agree to indemnify and hold Bank harmless for any and all acts of Users, including any individual who receives a login ID and password from you or another User.

- (c) You agree to protect the confidentiality of your Account(s) and Account number(s), and your personal identification information, such as your driver's license number or social security number. You understand that personal identification information by itself, or together with information related to your Account, may allow unauthorized access to your Account. Bank will **NEVER** send an email to ask for confidential information about you or your Accounts, or otherwise contact you to ask for the login ID or password. If you or a User is approached by anyone to provide the login ID and/or password, **DO NOT PROVIDE THIS INFORMATION**. It is your responsibility to ensure that each User is advised not to share the login ID and password. Contact Bank immediately, as you could be the victim of attempted fraud or identity theft. You or a User can contact Bank by calling 906-774-2200 or toll free at 877-803-1814.
- (d) The password and login ID are intended to provide security against unauthorized entry and access to your Accounts. 128-bit encryption is needed to access Online Banking. Data transferred via Online Banking is encrypted in an effort to provide transmission security and Online Banking utilizes identification technology to verify that the sender and receiver of Online Banking transmissions can be appropriately identified by each other. Notwithstanding Bank's efforts to ensure that the Online Banking system is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. Bank cannot and does not warrant that all data transfers utilizing Online Banking, or email transmitted to and from Bank, will not be monitored or read by others.
- (e) In addition to the security procedures described above, Bank recommends that you perform periodic risk assessments and control evaluations related to online security procedures. You agree that the security procedures established by Bank provide a commercially reasonable degree of protection in light of your particular needs and circumstances.

15. LIMITS ON ONLINE BANKING TRANSACTIONS.

- (a) You must have Available Funds in any deposit Account from which Bank is instructed to make a payment or transfer. According to federal regulations, no more than six (6) transfers or withdrawals may be made from a money market account or savings account during a given calendar month for savings accounts or statement period for money market accounts. The transfers and withdrawals subject to this limitation are preauthorized or automatic transfers (including transfers made with Online Banking), transfers or withdrawals pursuant to a telephonic agreement, order or instruction, and checks, drafts, debit card transactions, and similar transactions payable to third parties. If use of a Service results in a payment that is sent out by paper check, the paper check will count toward the total number of checks written in the statement period. There are no limits to the number of transfers or withdrawals from a checking Account. If a hold has been placed on deposits made to an Account from which Bank is instructed to transfer funds, the portion of the funds held cannot be transferred until the hold expires. Online Banking cannot be used to initiate transfers to or from a certificate of deposit. Online Banking may only be used to initiate an Online Bill Payment transaction from an Account that is a checking Account. You agree that a Bill Payment will not be initiated to a payee outside the United States. Online Banking can be used to request draws only from a loan Account that is a home equity line of credit, business line of credit, or First Reserve Line. The minimum amount for a draw request from a home equity line of credit or First Reserve Line is two hundred fifty dollars (\$250). You agree that neither you nor User shall request a draw that would exceed your available credit or credit limit.
- (b) Balances shown in your Account may include deposits and/or payments subject to verification by Bank. The balance may also differ from your records due to holds, deposits in progress, outstanding checks or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. In addition, there may be situations that cause a delay in an update of your balances. Online Banking will use the most current balance available at the time of a transaction to base Bank's approval of the transaction. For further questions, contact Bank by calling 906-774-2200 or toll free at 877-803-1814.
- (c) **Business Accounts and Consumer Loan Accounts Only:** Online Banking transactions are subject to any other limits set forth in an applicable Account Agreement.

16. **RESTRICTIONS ON USE.** You agree that neither you nor a User shall use Online Banking for any illegal, fraudulent, unauthorized or improper manner or purpose and Online Banking will only be used in compliance with all Applicable Laws, including the U.S. Export Administration Regulations. Without limiting the foregoing, you agree that neither you nor any User will use Online Banking to transmit or disseminate: (i) junk mail, spam, or unsolicited material

to persons or entities that have not agreed to receive such material or to whom you do not otherwise have a legal right to send such material; (ii) material that infringes or violates any third party's intellectual property rights, rights of publicity, privacy, or confidentiality, or the rights or legal obligations of any wireless service provider or any of its clients or subscribers; (iii) material or data, that is illegal, or material or data, as determined by Bank (in its sole discretion), that is harassing, coercive, defamatory, libelous, abusive, threatening, obscene, or otherwise objectionable, materials that are harmful to minors or excessive in quantity, or materials the transmission of which could diminish or harm the reputation of Bank or any third-party service provider involved in the provision of Online Banking; or (iv) material or data that is alcoholic beverage-related (e.g., beer, wine, or liquor), tobacco-related (e.g., cigarettes, cigars, pipes, chewing tobacco), guns or weapons-related (e.g., firearms, bullets), illegal drugs-related (e.g., marijuana, cocaine), pornographic-related (e.g., adult themes, sexual content), crime-related (e.g., organized crime, notorious characters), violence-related (e.g., violent games), death-related (e.g., funeral homes, mortuaries), hate-related (e.g. racist organizations), gambling-related (e.g., casinos, lotteries), specifically mentions any wireless carrier or copies or parodies the products or services of any wireless carrier; (v) viruses, Trojan horses, worms, time bombs, cancelbots, or other computer programming routines that are intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data, or personal information; (vi) any material or information that is false, misleading, or inaccurate; (vii) any material that would expose Bank, any third-party service provider involved in providing Online Banking, or any other third party to liability; or (viii) any signal or impulse that could cause electrical, magnetic, optical, or other technical harm to the equipment or facilities of a service provider or any third party.

17. DEPOSIT ACCOUNT STATEMENTS, ERRORS AND QUESTIONS.

- (a) You will receive monthly deposit Account statements, unless there are no transfers in a particular month, in which case you will receive your deposit Account statement at least quarterly. You will not receive a separate statement for Online Banking. Transfers to and from your deposit Accounts using Online Banking will appear on the respective periodic statements for your Accounts.
- (b) In case of errors or questions about your electronic fund transfers, contact Bank as soon as possible by (i) calling: 906-774-2200 or toll free at 877-803-1814 or (ii) writing to: The First National Bank & Trust Co. of Iron Mountain, Attn: Customer Service, P.O. Box 370, 233 S. Stephenson Ave., Iron Mountain, MI 49801.
- (c) Notify Bank immediately if you think your deposit Account statement is wrong or if you need more information about a transaction listed on the statement. Bank must hear from you no later than sixty (60) days after the **FIRST** statement was sent or made available to you on which the problem or error first appeared. You must:
 - (i) Tell Bank your name and deposit Account number;
 - (ii) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
 - (iii) Tell Bank the dollar amount of the suspected error.

If you tell Bank orally, Bank may require that you send Bank your complaint or question in writing within ten (10) Business Days.

- (d) **Consumer Deposit Accounts Only:** Bank will determine whether an error occurred within ten (10) Business Days (twenty (20) Business Days for new Accounts) after Bank hears from you and will correct any error promptly. If Bank needs more time, however, Bank may take up to forty-five (45) days (ninety (90) days for new Accounts) after Bank hears from you to investigate your complaint or question. If Bank decides to do this, Bank will provisionally credit your Account within ten (10) Business Days (twenty (20) Business Days for new Accounts) for the amount you think is in error, so that you will have use of the money during the time it takes Bank to complete its investigation. If Bank asks you to put your complaint or question in writing and Bank does not receive it within ten (10) Business Days, Bank may not credit your Account. Bank will tell you the results within three (3) Business Days after completing its investigation. If Bank decides that there was no error, Bank will send you a written explanation. You may ask for copies of the documents that Bank used in its investigation. If there is no error found, you will be obligated to reimburse Bank for any amount of credit issued to your Account.

18. YOUR LIABILITY FOR UNAUTHORIZED TRANSACTIONS OR LOSS OR THEFT OF LOGIN ID OR PASSWORD - DEPOSIT ACCOUNTS ONLY. If you believe the login ID, password, any required authentication information or other means of access to Online Banking, has been lost or stolen or if you believe that an electronic funds transfer has been made without your permission, notify Bank at once at 906-774-2200 or toll free at 877-803-1814 or write to Bank at: The First National Bank & Trust Co. of Iron Mountain, Attn: Customer Service, P.O. Box 370, 233 S. Stephenson Ave., Iron Mountain, MI 49801. Immediately telephoning Bank is the best way to reduce possible losses. You could lose all the money in your deposit Accounts plus your maximum overdraft line of credit, if any.

- (a) **Consumer Deposit Accounts Only:** If you tell Bank within two (2) Business Days after you learn of a loss or theft related to an electronic funds transfer, you can lose no more than \$50 if someone used the login ID, password or other access device without your permission. If you do NOT tell Bank within two (2) Business Days after you learn of a loss or theft of the login ID or password and Bank can prove Bank could have stopped someone from using the login ID, password or access device without your permission if you had told Bank, you can lose as much as \$500. Also, if your statement shows transfers that you did not make, tell Bank at once. If you do not tell Bank about unauthorized electronic funds transfers within sixty (60) days after the statement was sent to you or first made available to you, you may not get back any money lost after the sixty (60) days if Bank can prove that Bank could have stopped someone from taking the money if you had told Bank in time. If a good reason (such as a long trip or hospital stay) kept you from telling Bank, Bank will extend the time periods.
- (b) **Business Deposit Accounts Only:** You are liable for all transactions, including unauthorized transactions or payments, made with the login ID and password that occurred prior to the time you notify Bank that an unauthorized transaction or payment has taken place.

19. BANK LIABILITY IF BANK FAILS TO MAKE CERTAIN TRANSFERS – CONSUMER DEPOSIT ACCOUNTS ONLY. If Bank does not complete a transfer to or from your deposit Account on time or in the correct amount when properly instructed to do so, Bank will be liable to you for damages which you prove are directly caused by Bank's action or omission. However, there are some exceptions. Bank will not be liable, for instance, if:

- (a) Through no fault of Bank, you do not have enough money in your Account to make the transfer.
- (b) The transfer would go over the credit limit on your overdraft line.
